negative space.1, 2001

watercolour and lead pencil on paper (207 x 207mm), plastic found object (207 x 106mm)

price: \$100.00

to set up:

The work is to be hung at a regular height and near a chair, if possible.

For the Block Fundraiser, the watercolour is to be put up with blu-tack, and the 'linex' object hung on a nail.

Best to hang the 'Linex' object first, then the watercolour.
